Southwest Division Coop Meeting Held

Members of coop nurseries of Gardena, Hollypark, Playa del Rey, Manhattan Beach, Compton, and Torrance were represented at a recent meeting of the Los Angeles Council of Coops, Southwest Division. The meeting was held at the home of Mrs. Norman Diamond. The group discussed the responsibilities of the coop nursery to its community, and methods by which the coop can aid in community affairs.

Coops are part of a nationwide program of education for the preschool child. They are not "baby sitting" groups or nurseries where busy parents can leave children. They are groups made up of parents who are anxious to help their children adjust and contribute to the world around them.

The groups are led by professional teachers, but the parents themselves share the responsibilities for the policy and the maintenance of the school, and they save opportunities to work with the children. The schools provide opportunities for learning and growth for the preschool child and also for the parents.

Grace Ward Honored at Church Party

On May 15, the Senior Luther League of First Lutheran church had a "This Is Your Life" Party in which they surprised their president, Grace Ward.

The program was narrated by Dennis Hansen.

Participants included parents, relatives and friends who brought out many amusing highlights in the guest's life.

A bound scrapbook made by Mrs. Edward Hansen contained her life story and pictures.

A tape recording was made of the program by George Portlock and presented to Grace along with the scrapbook. An orchid corsage and a gardenia corsage were presented to her.

Women's Club Appoints Kenny Fund Drive Chairman

The Torrance Woman's Club has enrolled as participants in the Sister Kenny Foundation's May fund raising drive it was announced today. Mrs. Norma K. Clauser, 1542 Post st., was appointed Sister Kenny chairman for the group.

Contributions at the half-way mark are lagging — volunteers

are doubling their efforts, for the need is urgent, to reach the minimum campaign goal of \$450,000. All funds raised here — stay here and are used for maintenance and operation of the Sister Kenny Memorial Hospital and Rehabilitation Center in El Monte.

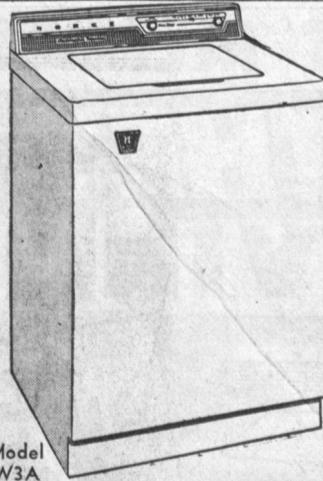

If you have not been contact-

ed by a Kenny volunteer, send your contributions, to Sister Kenny Foundation, Los Angeles 51, Calif.
